Re: Public Records Act Request

Dear Ms. Kramer:

On behalf of the Miccosukee Tribe of Indians of Florida ("Tribe"), I hereby request, pursuant to Chapter 119 of the Florida Statutes, that the South Florida Water Management District ("SFWMD") make available for inspection and copying, the below identified public record.

The documents requested by the Tribe are likely in the possession of District employee Fred Sklar.

The documents requested are all maps or visual representations of the expanse of cattail in Water Conservation Area 3A or other parts of the Everglades. This request includes cattail maps presented by Mr. Sklar at the River of Grass planning meeting on January 27, 2010, and any other similar cattail maps of the district, to the extent they have been created since 2006. We ask that you also send us the PowerPoint presentation made by Mr. Sklar on January 27, 2010.

To the extent such maps exist in electronic form, we ask that the documents that we have requested be provided to us in an electronic format (or the web address be provided) to help facilitate the release of this public information, as envisioned under the Public Records Act.

If the documents responsive to this request are voluminous, it is our intention to review the documents and select those that we would like to have copied. Please call me (305) 279-1166 if you have any questions about this request. Thank you in advance for your prompt cooperation.

Sincerely,

Claudio Ricchi, Esq.
